Dear Sisters, Associates, Consociates, 'Ohana, and Familia de San José,

We were really excited and had some creative plans in place to come to see everyone in the provinces. We were all set to hear you and get to know you a bit! Then, a crowning blow: the novel coronavirus—quite a new plotline for our world!

Now, since we can't come to see you, we are inviting you to visit us.

For the next two weeks, we are holding a virtual open house at the Congregational Office or our residences. You can “Zoom” right in here for free starting on Monday, March 23. **See the timetable below for our office hours**, then choose your day and time and use your computer to join the video conference anytime during that hour. At least one of us will be waiting at the screen to greet you and to call together whoever else is available to say hello.

We're doing this so that we can greet those we know, meet those we've not met, hear what you have to say, and chat about anything that comes up. **There's no agenda beyond getting together.**

(Unfortunately, you have to provide your own snacks. That's beyond our competency.)

We look forward to being with you—and who knows, maybe you'll win the secret door prize!
